United States Troops To Crush Draft Riots

Commuters See Trouble Ahead

S. P. FILES DEMANDS WITH COMMISSION TO INCREASE FERRY RATES

Claiming that it lost a half-million dollars last year in the operation of its ferry service, without regard to interest on the \$26,000,000 invested, the Southern Pacific company filed applications with the railroad commission yesterday afternoon for increases in passenger fares between San Francisco and Alameda county points.

Commuters will gasp at some of the increases sought, which are from 100 to 300 per cent more than the prevailing rates.

Two applications were filed, one seeking authority to increase one-way and individual monthly commutation fares on the regular Oakland and Alameda routes, and the other to increase fares on the Oakland harbor route to the foot of Broadway.

As an example of what the Southern Pacific is asking from the railroad commission the rates fixed to San Pablo avenue crossings of the interurban lines at 25 cents from San Francisco and to Broadmoor in East Oakland the rate is fixed at 50 cents. If the rate asked for by the Southern Pacific goes into effect it will practically compel commuters to change their places of residence to the side of the bay on which they are employed.

It is expected that the action of the Southern Pacific will be followed by all the other transportation companies doing business between San Francisco and across the bay points with similar action. Just what stand the railroad commission will take in the matter has not yet been divulged, but it is expected that some sort of a raise in fares will be granted, but probably not as much as will be asked for by the ferry and railroad companies.

ALLIED TROOPS HOLD GROUND IN FLANDERS

LONDON, Aug. 4.—All the positions east of Monchy le Preux, on the Arras battle front in France, which were captured by the Germans Thursday night, have been retaken by the British, according to an official statement issued today by the British war office.

On the Belgian front, where the French and British launched an offensive Tuesday morning, the entire allied troops made further progress east of Kortekker cabaret.

Paris, Aug. 4.—Despite the boggy condition of the ground in west Flanders because of the continuous rains heavy guns are being moved forward to the allies' new positions to prepare for further operations.

200 ENTOMED IN MINE BY EXPLOSION

CLAY, Ky., Aug. 4.—Two hundred miners are entombed in mine No. 7 of the West Kentucky Coal company here as a result of an explosion of gas at 7:30 this morning. Three men have been rescued.

Smoke is emerging from the mine. The explosion, it was said, occurred in the south end of the mine. Debris, it was stated, choked the passageway to the north end, where forty men were at work.

THIRTY-ONE SAVED

MADISONVILLE, Ky., Aug. 4.—Reports several hours after the gas explosion in mine No. 7 of the West Kentucky Coal company at Clay early today said that thirty-one men had been rescued. Many of them, it was said, were burned. Soldiers who have been on duty during the strike troubles are helping in the work of rescue.

TENDERED PARTY.

Mrs. Sidney Stitt, prominent matron of this city, was the guest of honor at a surprise party tendered her last evening at her home by friends.

RUSS CAPTURE IS PREDICTED BY GERMANY

GENEVA, Aug. 4.—Austro-German operations on the southern end of the eastern front are taking the form of a great encircling movement in an effort to cut off the Russo-Rumanian armies in northern Rumania.

Advices from Vienna and Berlin today stated that the demoralization in the Russian army is growing and that the Germans and Austro-Hungarians are advancing all along the line.

The army under Archduke Joseph, which occupied Czernowitz, the capital of Bukovina, is advancing along the Pruth river in the direction of Bojan, on the frontier of the Russian province of Bessarabia.

In the lower ranges of the Carpathians, the Russians have evacuated Kimpoling, and Vienna reported that they were pursued eastward by the Austro-Hungarians. Practically all of Galicia and most of Bukovina have been cleared of the Russians.

BLAST WRECKS BIG POWDER PLANT IN EAST

EAST ALTON, Ill., Aug. 4.—Three wheel houses were wrecked today at the Equitable Powder company's plant, when powder in a mixing machine exploded, presumably from friction. The buildings caught fire, and for a time the Western Cartridge company's plant nearby was threatened, but the flames were checked. No one was hurt.

BELGIAN DEPORTATIONS SWINGING POPE AGAINST GERMANY.

ROME, Aug. 4.—It is stated in Vatican circles that the Pope's impartial attitude toward official Germany is undergoing a change. The Pope is reported to regret greatly the action of Germany in connection with the deported Belgians.

The new attitude appears to have been adopted after the fall of Bethmann-Hollweg, the imperial chancellor, who just before his resignation wrote what now is apparent was a farewell letter to the holy father, thanking him for his forbearance and also calling attention to the fact that he had always tried his best to grant the Pope's demands regarding prisoners.

Although an absolute break with Germany is not expected at this time, it is certain that the Belgian deportations are daily making more difficult the maintenance of relations.

GREAT WESTERN TO PLAY PITTSBURG TEAM

The Great Western Power Co. are taking their two best bets along with them, Weber and Evans, for box July Sunday Morning, when they leave the 40th street Station for the O. A. & E. at 9:30 enroute for Pittsburgh. They will have pretty much the same club, that has brought home so many wins lack of Weber this season. Ely, Bartell, Codington and Gadsden infield, with Kavanaugh, Johnny Hayes, and Jack McKee outfield.

NEW MANAGER.

G. L. Brinn, player on the crack Santa Fe team, has been appointed temporary manager of that organization, in the absence of Manager Luke Agnews.

HARBOR BILL IS NOW UP TO WILSON'S APPROVAL

A telegram to Coroner C. L. Abbott last evening from Congressman C. F. Curry of this district, stated that the Richmond harbor appropriation had been passed by committees of both houses and was now up to the president.

According to Curry, the initial appropriation of \$100,000 for Richmond will be ready as soon as the harbor boundary lines are accepted by government engineers.

Colonel Heuer, government engineer of this district, will hold a meeting at the city hall on the evening of August 5th, with the city council and civic organizations, at which time the amended harbor lines will be discussed.

GOVERNMENT IS TO TAKE OVER SHIPPING OF THE NATION

WASHINGTON, Aug. 4.—Orders commandeering practically every ship under construction in the country of over 2500 tons were sent out today by Admiral Capps, general manager of the emergency fleet corporation.

The requisition orders require the speedy completion of ships now building, the plans and specifications of the ships, copies of all contracts and agreements affecting the vessels commandeered, payments made and due units due.

Special directors are ordered to report immediately all additional contracts under construction, their character and extent and are ordered not to enter into any additional contracts for merchant tonnage without express authority from the emergency fleet corporation.

SERBIAN SLAYERS OF RULERS ARE SHOT

CORFU, Island of Corfu, July 16.—Fate has at last fallen on that band of military regicides who, some fifteen years ago broke into the royal palace at Belgrade at night and assassinated King Alexander and the Serbian Queen Draga.

Three high officers have recently been shot, after military court martial.

Three more are awaiting death sentences; seven officers, including a general, have received life sentences, and some thirty officers received lesser sentences of from one to five years.

TO YOSEMITE.

Mr. and Mrs. R. G. Lee of this city left yesterday for the Yosemite valley.

GERMAN PEACE WORSE THAN WAR, SAYS GEORGE

LONDON, Aug. 4.—David Lloyd George, the British premier, in the presence of a distinguished gathering, representative of all parties, which met this afternoon in Queen's hall to mark the third anniversary of the declaration of war, reiterated the aims for which the entente allies were fighting, and indicated the only conditions under which they would consent to a suspension of hostilities with the central powers.

The prime minister said he did not trust the German peace talk. "Neither the Kaiser nor the chancellor," he declared, "has yet said he would be satisfied with German soil. They talk glibly about peace, but stammer over the word restoration. Before we have a peace conference they must learn to use the word restoration. So far they have not learned even the first letter of the alphabet."

"War is a ghastly business, but it is not so bad as their peace. While they know their plot has miscarried this time, the Prussian war lords have determined to succeed the next time. There must be no next time. This generation must eliminate war from the tragedies of human life."

ATTEMPT TO BLOW UP BRIDGE PREVENTED

KANKAKEE, Ill., Aug. 4.—An attempt to blow up a Big Four bridge at Aroma Park, four miles east of here just before an east-bound freight train, loaded with automobiles was due was frustrated today by William Bean, bridge inspector. Bean opened fire on two men as they lighted a fuse. The men returned the fire and escaped. A posse headed by the sheriff is on the trail.

OKLAHOMA IS TERRORIZED BY SLACKER PLUNDERERS

ARDMORE, Okla., Aug. 4.—A posse guarding a highway, near Stonevill in Pontotoc county, exchanged forty shots with a band of alleged draft resisters early today. None was injured. A detail of National Guard cavalry has left Wewoka for the troubled districts.

WASHINGTON, Aug. 4.—Federal troops will be dispatched to Oklahoma and North Carolina to quell anti-draft riots.

Provost Marshal General Crowder and Assistant Attorney General Fitts, after a conference today, decided to call upon the war department for troops for use where the situation is "overtaxing the civil authorities."

Anti-draft rioters may face death if they are subject to the national army. Under the regulations promulgated by President Wilson, failure to observe the law places the violator under martial law.

A courtmartial may hold the violators as deserters. The penalty for desertion in war time may be death.

Provost Marshal General Crowder said he had official reports of rioting from but one state—North Carolina.

"I can't give out any excitable statement about it, however," the general said, "for I am not excited. The situation doesn't warrant excitement."

BAND CONCERT IS ENJOYED BY MANY

A large audience enjoyed the concert of the Richmond Concert band at the Macdonald avenue stand last evening. The hit of the evening was the southern airs, which the band played in regular rag-time fashion. Director Hart is securing new music as fast as it is placed on the market in band style.

BAPTIST PASTOR BEGINS REVIVAL

A series of revival meetings will be conducted by the Rev. Carl Bassett, pastor of the Calvary Baptist church, of this city, at Albany next week. His topics for the various evenings will be as follows: Monday, Backsliders; Tuesday, Navy to the Pulpit; Wednesday, God's Love; Thursday, Excuses; and Friday, Unpardonable Sin.

At the Calvary Baptist church tomorrow a number of special meetings will be held and special music furnished at both the morning and evening services.

MUCH PEACE TALK.

That Germany an Austria want peace cannot be doubted in the light of the statements simultaneously given out in Berlin and Vienna by the German chancellor and the Austro-Hungarian minister of foreign affairs, respectively. They want "peace by understanding," as distinguished from peace enforced by military power.

The statement by the German chancellor is disappointing, in that he devotes most of it to attempting to shift the blame for the war upon France. His predecessor, with far more ability, was in the habit of placing blame on Great Britain.

Both the German and the Austrian assert that the central powers will fight to the limit of their endurance before they will accept peace enforced by the arms of the entente powers. Also, the chancellor indicates that restoration of Alsace-Lorraine cannot be contemplated by Berlin.

By far the ablest and soundest pronouncement is that of Count von Chudenitz, the Austro-Hungarian minister of foreign affairs. He challenges the statement of Lloyd-George that the peace suggestions of Dr. Michaelis and the resolution by the reichstag were a sham. He says "the chancellor and the reichstag desire no forced annexations and abhor economic isolation after the war," and that the Austrian position in that respect is the same as the German.

Continuing, the Austrian foreign minister uses these significant words:

"I don't care whether this admission is regarded as a sign of weakness or of strength. To me it seems only a sign of common sense and morality which revolt at the idea of prolonging the war."

"He also says that the allies cannot crush the central powers and that we have no intention of crushing the enemy" and that it is "necessary to reach a peace by understanding as soon as possible. He, unlike Dr. Michaelis, refrains from attempting to put the blame for the war on the allies, but says: "I shall not put the question as to who was responsible for the war, because it is useless to discuss the past in this connection."

If we may gain any light on the program of the central powers, it is to have the war ended "by understanding" while they hold part of the French territory, nearly all of Belgium, and a large slice of Russia, thus in the position of victors.

Around a council table, they would contend for the return of the colonies in Africa to Germany, restoration of the Austrian territory, formerly taken from Italy, now in the hands of General Cadorna's armies, the retention of Alsace-Lorraine, and no reparation for stricken Belgium.

Let an extract from President Wilson's Flag Day address answer all that the German and the Austrian say:

"If they can secure peace now with the immense advantage still in their hands which they up to this point apparently have gained, they will have justified themselves before the German people; they will have gained by force what they promised to gain by it; an immense expansion of German power, an immense enlargement of German industrial and commercial opportunities. Their prestige will be secured,

and with their prestige their political power. If they fail, their people will thrust them aside; a government accountable to the people themselves will be set up in Germany as it has been in England, in the United States, in France, and in all the great countries of the modern time except Germany. If they succeed they are safe and Germany and the world are undone; if they fail Germany is saved and the world will be at peace. If they succeed, America will fall within the menace. We and all the rest of the world must remain armed, as they will remain; if they fail, the world may unite for peace and Germany may be of the union."

As a means of reducing the high cost of living, it is proposed to put whale steak, cutlets and chops on the market. Somebody has discovered the excellent qualities of whale meat and predicts that it will be generally accepted in a short time instead of cattle, sheep and hogs. However, it will be necessary for the people who handle the edible whale to sell his steaks for a lesser sum than 35 cents per pound if it is to be ever popularized throughout the length and breadth of the land, which is the price fixed by the markets of Oakland and San Francisco which have been making a specialty of this sort of provender. All of which reminds us of the idea of the Pullman company in reducing the high cost of living by cutting the rations of the dining car customer to one-half at the same old price.

State legislatures which reduced the price of marriage licenses two-bits each probably was inspired by a laudable desire to assist cupid. But the solons then did not know, opines the Stockton Mail Editor, that by the time the law went into effect love slackers would be rushed to the marriage bureau willing, even anxious and determined, to spend any price for a marriage license because of the draft.

Judging from the tone of the Pittsburg papers, perfect harmony exists in that bustling town among the editors. They allude to each other as skunks, porcelainers and other names of like character, which might lead the public, not otherwise informed, to conclude that they do not speak as they pass by.

The crown prince, "the hero of Verdun," has again been having the time of his gay young life hurling his men in dense formation against the French trenches. He seems to enjoy seeing them go down in swaths before the French machine gun and rifle fire.

Our notion of starting something is to write an editorial on saving. The flow of comment and clipped matter, agreeing and disagreeing with us is only exceeded by the number of inquiries about the draft.

If the government decides to absorb all the incomes over one hundred thousand dollars, it will be pretty hard on the newspaper reporters and editors.

If a fellow has a taste for chicken sandwiches, he must turn train robber or mine promoter to indulge his taste these days.

POPULAR GIRL IS HOSTESS TO HER YOUNGFRIENDS

Last evening at the home of her mother, Mrs. W. C. Ardery, at 131 Thirteenth street, Miss Regina Ardery entertained ten of her most intimate girl friends at a party, and during the evening announced her engagement to Mr. Warren Strickland, who is employed in the marine department of the Standard Oil company.

The home was beautifully decorated for the occasion, and predominating colors were white and gold. A most delightful time was had, and the many friends wished Miss Ardery her full share of happiness.

The date of the wedding has not yet been announced, but it will occur in the near future.

Those present were Ruth Adair, Mary Bentley, Edith Wolf, Helen Boyd, Ruth Barnes, Maurice Shafer, Dorothy Davidson, Verne Scott, Mrs. J. Pulse and Mrs. R. Ludden (nee Funk) of Martinez.

PALESTINE TALK GIVEN AT CHURCH

An illustrated lecture on "Palestine" was given at the St. George Presbyterian church last evening by Rev. J. W. Dunlop, pastor of the church. The lecture was given in the interest of missionary work for the church. No admission was charged to the affair.

A GOOD FRIEND.

A good friend stands by you when in need. Richmond people tell how Doan's Kidney Pills have stood the test. Mrs. Jas. Wright of 1119 Roosevelt Avenue endorsed Doan's over six years ago and again confirms the story. Could you ask for more convincing testimony?

"I had heard Doan's Kidney Pills highly spoken of in England and when I had trouble with my back and kidneys, I got some at the Richmond Pharmacy," says Mrs. Wright. "Besides the annoyance from back ache, I often felt dizzy, was tired all the time, lacked strength and ambition and my kidneys were not acting regularly. Doan's Kidney Pills removed all the distressing symptoms and I soon felt better in every way. I later had an attack of rheumatic pains in my feet and ankles and they were swollen. I again used Doan's Kidney Pills and they removed the uric acid from my system, benefitting me in every way." (Statement given Jan. 25, 1910.)

Lasting Results.

On May 31, 1916 Mrs. Wright said: "The cure I mentioned in my former recommendation has been permanent."

PRETTY MRS. SMITH NEW AT ORPHEUM

The reign of "Pretty Mrs. Smith" begins at the Orpheum tomorrow and if advance accounts may be credited, "Pretty Mrs. Smith" will charm a lot more people than the Smith family with her smartness and fun and the sweet music that goes along in her train. It is natural that there should be more than ordinary interest in the production of such a famous musical comedy as "Pretty Mrs. Smith," especially when it is remembered that the piece is an Oliver Morosco success, which served as a starring vehicle for two seasons for such famous women of the stage as Kitty Gordon and Fritz Scheff.

By special arrangement with Oliver Morosco the piece was secured for a week at the Orpheum. Theatergoers will be interested in the information that three members of the Orpheum Players traveled with the original production of "Pretty Mrs. Smith" for two years. James Gleason played the role of "George," a colored waiter in the New York show of "Pretty Mrs. Smith," with Kitty Gordon. Lucille Webster was a prominent member of the road company and Richard Ryan was stage manager and also one of the handsome youths in the quartet that is a feature of the play.

In the production of "Pretty Mrs. Smith" that comes to the Orpheum tomorrow, Jane Urban will give theatergoers another glimpse of her talent as a musical star in the title justice.

GOOD VAUDEVILLE NUMBERS PROMISED BY LOCAL PLAYHOUSE

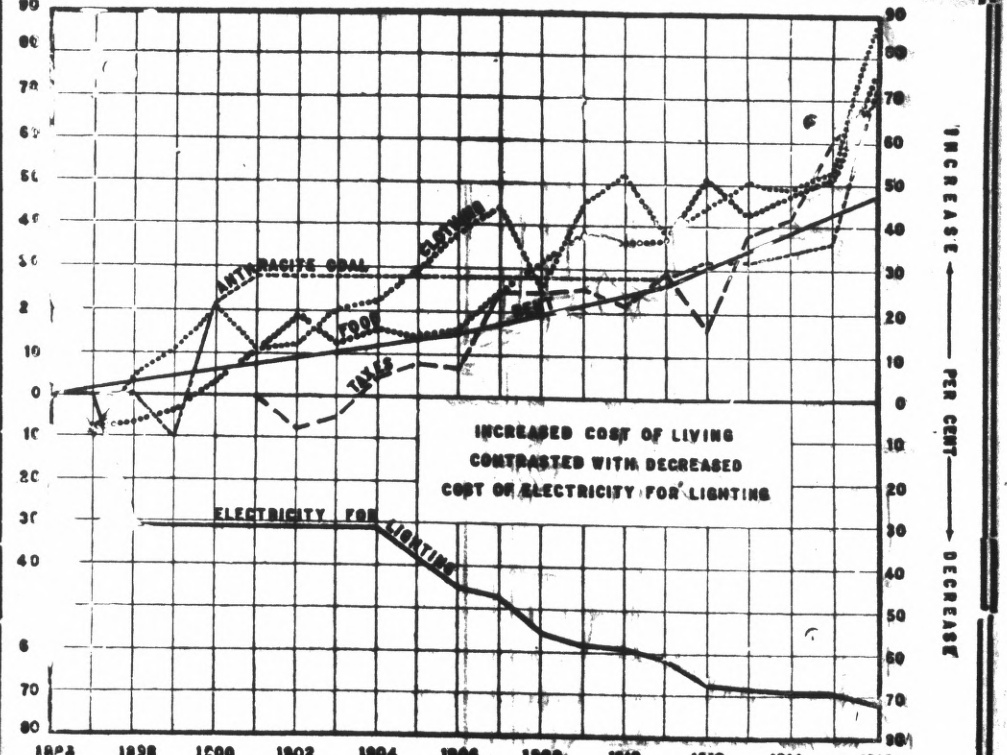

A very funny comedy sketch, entitled "Scenes Behind the Scenes," heads the all-star Sunday vaudeville show at the Richmond theater tomorrow. This act is put on by Delmore and Moore and is a scream from start to finish. It has been on the biggest circuits of the country and comes to Richmond with fresh laurels from the first class houses of the coast.

"After the Matinee," is another good act of the show which is to be presented by Fieda Keane and Walsh, well known entertainers. Every part of the act is entertaining and is sure to please the audience.

There will also be Helen Tait, the classy ragtime singer and dancer whose sweet voice and sprightly dancing have won her way into the hearts of the theater public. Billy Jones, the comedian, has a number of new jokes and stunts which round out the vaudeville program and make it one of the best shown here lately.

"Her Secret," with Alice Joyce and Harry Morey in the leading roles will be the picture to be shown. The Pathe News will depict a number of recent interesting events.

She should sparkle with unusual charm and brilliancy in part. There are some delightful musical selections which fall to the lot of "Pretty Mrs. Smith," and Jane Urban will surely do them full justice.

ELECTRIC LIGHT COSTS LESS THAN EVER BEFORE.

The above chart was prepared for one of the larger cities, but it fairly represents similar conditions throughout the United States.

The past 20 years have witnessed a steady decrease in the cost of Electric Service. Rates have been reduced as regularly as warranted—the volume of light produced by a unit of current has been more than trebled by the invention of and the improvements made in the Mazda lamp. One dollar today buys ten times as much Electric Light as it purchased a few years ago.

OTHER NECESSITIES COST MORE.

In the same span of years, from 1896 to 1916, the cost of living, on the other hand, has gone steadily upward as illustrated in the above chart. Food, clothing, fuel, rent, taxes, etc., have advanced from 50 to 100 per cent or more.

It is hardly necessary to compare this tremendous increase in the price of these necessities of life with the very noticeable reduction in the cost of Electricity through lower rates and improved efficiency.

Consumers of Electricity will find that their Electric Light bills on an average amount to only a fraction more than one per cent of their total living expenses.

If you employ Electric Service in your home as fully as possible.

Donors of Electric Appliances, the Vacuum Cleaner, Iron, Washer, Fan, Sewing Machine, Stove, Range, Table Appliances, etc., have been perfected for your convenience and comfort. Avail yourself of their many advantages NOW.

INTENSE INTEREST MANIFESTED IN BALL GAME WITH STOCKTON

The big baseball event of the season which is to be pulled off by Manager Deitrich tomorrow at the First street baseball park will be between Stockton and Richmond and promised to be of great interest to the local and visiting fans. These two teams are tied at the present time for second place in the newly formed league and on the following Sunday whichever team wins tomorrow's game will play for first place with either Merced or Modesto, according to which wins that honor.

Manager Deitrich of the Elks is expecting a large crowd of fans and bachelors from the Slough City tomorrow. They are coming on a special train and the team they are

bringing is an exceptionally strong one, so that there will be something doing every minute during the game. Intense rivalry prevails among the teams of the league and the game tomorrow promises to be of more than ordinary interest in every way.

The following is the lineup of the two teams for the game tomorrow:

Stockton—Mattoni, ss.; Culluna, lb.; Battilana, c.; Rimington, rf.; Felts, lf.; Harper, cf.; Alley 2b; Walker, 3b; Martin, p; Smith, ex. Richmond—Menges, 3b.; Heister, ss.; Ward, lf.; McDonough, c.; Autry, lb.; Sears, rf.; Maas, cf.; Christiansen, 2b.; Hollis, p.; Schwake, ex.

Morning worship begins at 11. The pastor will preach.

We desire to call public attention to the morning worship. While the attendance is the largest ever there is no crowding to the point of unpleasantness as in the vesper service. All people who have any sincerity and earnestness are thinking big questions now and will naturally turn to the church. We will make every effort to accommodate all who come to the vesper service, but many more Richmond people find the help of the public worship at 11 a. m.

The best of music is offered by orchestra, choir, quartet and soloists.

SO DECLARED MR. R. LEWIS, PROPRIETOR OF THE LARGE JEWELRY STORE AT ELEVENTH AND WASHINGTON STS. IN THE CENTER OF OAKLAND AFTER DRINKING THE FONG WAN HERB TEA. HE WAS COMPLETELY CURED.

His Unsolicited Testimonial

Oakland, Cal., Mar. 25, 1917. For several years I was troubled with NERVOUS ATTACKS. I visited the most prominent physicians in both OAKLAND and SAN FRANCISCO without obtaining permanent results. Finally, when had been suggested, I quit and began drinking the FONG WAN CHINESE HERBS. After seven weeks I felt entirely well. This was in September, 1916, and up to the present time, March 1917, there has been no recurrence of the attacks.
